There are hereby established two committees to administer the terms and provisions of this subpart as specifically provided in §§ 927.20 through 927.35:

(a) A Fresh Pear Committee, consisting of 13 individual persons as its members is established to administer order provisions relating to the handling of pears for the fresh market. Six

members of the Fresh Pear Committee shall be growers, six members shall be handlers, and one member shall represent the public. For each member there shall be two alternates, designated as the “first alternate” and the “second alternate,” respectively. Each district shall be represented by one grower member and one handler member, except that the Mid-Columbia District and the Wenatchee District shall be represented by two grower members and two handler members.

(b) A Processed Pear Committee consisting of 10 members is established to administer order provisions relating to the handling of pears for processing. Three members of the Processed Pear Committee shall be growers, three members shall be handlers, three members shall be processors, and one member shall represent the public. For each member there shall be two alternates, designated as the “first alternate” and the “second alternate,” respectively. District 2, the State of Oregon, shall be represented by one grower member, one handler member and one processor member.

(c) The Secretary, upon recommendation of the Fresh Pear Committee or the Processed Pear Committee may reapportion members among districts, may change the number of members and alternates, and may change the composition by changing the ratio of members, including their alternates. In recommending any such changes, the following shall be considered:

(1) Shifts in pear acreage within districts and within the production area during recent years;

(2) The importance of new pear production in its relation to existing districts;

(3) The equitable relationship between membership and districts;

(4) Economies to result for growers in promoting efficient administration due to redistricting or reapportionment of members within districts; and

(5) Other relevant factors.

§ 927.21 Nomination and selection of members and their respective alternates.

Grower members and their respective alternates for each district shall be selected by the Secretary from nominees elected by the growers in such district. Handler members and their respective alternates for each district shall be selected by the Secretary from nominees elected by the handlers in such district. Processor members and their respective alternates shall be selected by the Secretary from nominees elected by the processors. Public members for each committee shall be nominated by the Fresh Pear Committee and the Processed Pear Committee, each independently, and selected by the Secretary. The Fresh Pear Committee and the Processed Pear Committee may, each independently, prescribe such additional qualifications, administrative rules and procedures for selection for each candidate as it deems necessary and as the Secretary approves.

§ 927.22 Meetings for election of nominees.

(a) Nominations for members of the Fresh Pear Committee and their alternates shall be made at meetings of growers and handlers held in each of the districts designated in § 927.11 at such times and places designated by the Fresh Pear Committee.

(b) Nominations for grower and handler members of the Processed Pear Committee and their alternates shall be made at meetings of growers and handlers held in each of the districts designated in § 927.11 at such times and places designated by the Processed Pear Committee. Nominations for processor members of the Processed Pear Committee and their alternates shall be made at a meeting of processors at such time and place designated by the Processed Pear Committee.

§ 927.23 Voting.

Only growers in attendance at meetings for election of nominees shall participate in the nomination of grower members and their alternates, and only handlers in attendance at meetings for election of nominees shall participate in the nomination of handler members

and their alternates, and only processors in attendance for election of nominees shall participate in the nomination of processor members and their alternates. A grower may participate only in the election held in the district in which he or she produces pears, and a handler may participate only in the election held in the district in which he or she handles pears. Each person may vote as a grower, handler or processor, but not a combination thereof. Each grower, handler and processor shall be entitled to cast one vote, on behalf of himself, his agents, partners, affiliates, subsidiaries, and representatives, for each nominee to be elected.

§ 927.24 Eligibility for membership.

Each grower member and each of his or her alternates shall be a grower, or an officer or employee of a corporate or LLC grower, who grows pears in the district in which and for which he or she is nominated and selected. Each handler member and each of his or her alternates shall be a handler, or an officer or employee of a handler, handling pears in the district in and for which he or she is nominated and selected. Each processor member and each of their alternates shall be a processor, or an officer or employee of a processor, who processes pears in the production area.

§ 927.25 Failure to nominate.

In the event nominations are not made pursuant to §§ 927.21 and 927.22 on or before June 1 of any year, the Secretary may select members and alternates for members without regard to nominations.

Any person prior to or within 15 days after selection as a member or as an alternate for a member of the Fresh Pear Committee or the Processed Pear Committee shall qualify by filing with the Secretary a written acceptance of the person's willingness to serve.

§ 927.27 Term of office.

The term of office of each member and alternate member of the Fresh Pear Committee and the Processed Pear Committee shall be for two years beginning July 1 and ending June 30:

§ 927.28

Provided, That the terms of office of one-half the initial members and alternates shall end June 30, 2006; and that beginning with the 2005–2006 fiscal period, no member shall serve more than three consecutive two-year terms unless specifically exempted by the Secretary. Members and alternate members shall serve in such capacities for the portion of the term of office for which they are selected and have qualified and until their respective successors are selected and have qualified. The terms of office of successor members and alternates shall be so determined that one-half of the total committee membership ends each June 30.

§ 927.28 Alternates for members.

The first alternate for a member shall act in the place and stead of the member for whom he or she is an alternate during such member's absence. In the event of the death, removal, resignation, or disqualification of a member, his or her first alternate shall act as a member until a successor for the member is selected and has qualified. The second alternate for a member shall serve in the place and stead of the member for whom he or she is an alternate whenever both the member and his or her first alternate are unable to serve. § 927.29 Vacancies.

To fill any vacancy occasioned by the failure of any person selected as a member or as an alternate for a member of the Fresh Pear Committee or the Processed Pear Committee to qualify, or in the event of death, removal, resignation, or disqualification of any qualified member or qualified alternate for a member, a successor for his or her unexpired term shall be nominated and selected in the manner set forth in §§ 927.20 to 927.35. If nominations to fill any such vacancy are not made within 20 days after such vacancy occurs, the

7 CFR Ch. IX (1–1–13 Edition)

Secretary may fill such vacancy without regard to nominations.

§ 927.30 Compensation and expenses.

(e) To cause the books to be audited by one or more competent accountants at the end of each fiscal year and at

Agricultural Marketing Service, USDA

§ 927.40

such other times as the Fresh Pear Committee or the Processed Pear Committee may deem necessary or as the Secretary may request, and to file with the Secretary copies of any and all audit reports made;

(f) To appoint such employees agents, and representatives as it may deem necessary, and to determine the compensation and define the duties of each;

(g) To give the Secretary, or the designated agent of the Secretary, the same notice of meetings as is given to the members of the Fresh Pear Committee or the Processed Pear Committee;

(h) To select a chairman of the Fresh Pear Committee or the Processed Pear Committee and, from time to time, such other officers as it may deem advisable and to define the duties of each; and

Except as otherwise provided in § 927.52, all decisions of the Fresh Pear Committee or the Processed Pear Committee at any meeting shall require the concurring vote of at least 75 percent of those members present, including alternates then serving in the place of any members.

(b) *Mail voting.* The Fresh Pear Committee or the Processed Pear Committee may provide for members voting by mail, telecopier or other electronic means, telephone, or telegraph, upon due notice to all members. Promptly after voting by telephone or telegraph, each member thus voting shall confirm in writing, the vote so cast.

The members and alternates for members and any agent or employee

appointed or employed by the Fresh Pear Committee or the Processed Pear Committee shall be subject to removal or suspension by the Secretary at any time. Each and every regulation, decision, determination, or other act shall be subject to the continuing right of the Secretary to disapprove of the same at any time, and, upon such disapproval, shall be deemed null and void, except as to acts done in reliance thereon or in compliance therewith prior to such disapproval by the Secretary.

§ 927.35 Funds and other property.

(a) All funds received pursuant to any of the provisions of this subpart shall be used solely for the purposes specified in this subpart, and the Secretary may require the Fresh Pear Committee or the Processed Pear Committee and its members to account for all receipts and disbursements.

(b) Upon the death, resignation, removal, disqualification, or expiration of the term of office of any member or employee, all books, records, funds, and other property in his or her possession belonging to the Fresh Pear Committee or the Processed Pear Committee shall be delivered to his or her successor in office or to the Fresh Pear Committee or Processed Pear Committee, and such assignments and other instruments shall be executed as may be necessary to vest in such successor or in the Fresh Pear Committee or Processed Pear Committee full title to all the books, records, funds, and other property in the possession or under the control of such member or employee pursuant to this subpart.

EXPENSES AND ASSESSMENTS

§ 927.40 Expenses.

The Fresh Pear Committee and the Processed Pear Committee are authorized, each independently, to incur such expenses as the Secretary finds may be necessary to carry out their functions under this subpart. The funds to cover such expenses shall be acquired by the levying of assessments as provided in § 927.41.

§ 927.41 Assessments.

(a) Assessments will be levied only upon handlers who first handle pears. Each handler shall pay assessments on all pears handled by such handler as the pro rata share of the expenses which the Secretary finds are reasonable and likely to be incurred by the Fresh Pear Committee or the Processed Pear Committee during a fiscal period. The payment of assessments for the maintenance and functioning of the Fresh Pear Committee or the Processed Pear Committee may be required under this part throughout the period such assessments are payable irrespective of whether particular provisions thereof are suspended or become inoperative.

(b)(1) Based upon a recommendation of the Fresh Pear Committee or other available data, the Secretary shall fix three base rates of assessment for pears that handlers shall pay on pears handled for the fresh market during each fiscal period. Such base rates shall include one rate of assessment for any or all varieties or subvarieties of pears classified as summer/fall; one rate of assessment for any or all varieties or subvarieties of pears, classified as winter; and one rate of assessment for any or all varieties or subvarieties of pears classified as other. Upon recommendation of the Fresh Pear Committee or other available data, the Secretary may also fix supplemental rates of assessment on individual varieties or subvarieties categorized within the assessment classifications in this paragraph (b)(1) to secure sufficient funds to provide for projects authorized under § 927.47. At any time during the fiscal period when it is determined on the basis of a Fresh Pear Committee recommendation or other information that different rates are necessary for fresh pears or for any varieties or subvarieties, the Secretary may modify those rates of assessment and such new rate shall apply to any or all varieties or subvarieties that are shipped during the fiscal period for fresh market.

(2) Based upon a recommendation of the Processed Pear Committee or other available data, the Secretary shall fix three base rates of assessment for pears that handlers shall pay on pears handled for processing during each fiscal

period. Such base rates shall include one rate of assessment for any or all varieties or subvarieties of pears classified as summer/fall; one rate of assessment for any or all varieties or subvarieties of pears, classified as winter; and one rate of assessment for any or all varieties or subvarieties of pears classified as other. Upon recommendation of the Processed Pear Committee or other available data, the Secretary may also fix supplemental rates of assessment on individual varieties or subvarieties categorized within the assessment classifications defined in paragraph (b)(1) of this section to secure sufficient funds to provide for projects authorized under § 927.47. At any time during the fiscal period when it is determined on the basis of a Processed Pear Committee recommendation or other information that different rates are necessary for pears for processing or for any varieties or subvarieties, the Secretary may modify those rates of assessment and such new rate shall apply to any or all varieties or subvarieties of pears that are shipped during the fiscal period for processing.

(c) Based on the recommendation of the Fresh Pear Committee, the Processed Pear Committee or other available data, the Secretary may establish additional base rates of assessments, or change or modify the base rate classifications defined in paragraphs (a) and (b) of this section.

(d) The Fresh Pear Committee or the Processed Pear Committee may impose a late payment charge on any handler who fails to pay any assessment within the time prescribed. In the event the handler thereafter fails to pay the amount outstanding, including the late payment charge, within the prescribed time, the Fresh Pear Committee or the Processed Pear Committee may impose an additional charge in the form of interest on such outstanding amount. The Fresh Pear Committee or the Processed Pear Committee, with the approval of the Secretary, shall prescribe the amount of such late payment charge and rate of interest.

(e) In order to provide funds to carry out the functions of the Fresh Pear Committee or the Processed Pear Committee prior to commencement of shipments in any season, handlers may

Agricultural Marketing Service, USDA

§ 927.50

make advance payments of assessments, which advance payments shall be credited to such handlers and the assessments of such handlers shall be adjusted so that such assessments are based upon the quantity of each variety or subvariety of pears handled by such handlers during such season. Further, payment discounts may be authorized by the Fresh Pear Committee or the Processed Pear Committee upon the approval of the Secretary to handlers making such advance assessment payments.

§ 927.42 Accounting.

(a) If, at the end of a fiscal period, the assessments collected are in excess of expenses incurred, the Fresh Pear Committee or the Processed Pear Committee may carryover such excess into subsequent fiscal periods as a reserve: *Provided*, That funds already in the reserve do not exceed approximately one fiscal period's expenses. Such reserve may be used to cover any expense authorized under this part and to cover necessary expenses of liquidation in the event of termination of this part. Any such excess not retained in a reserve or applied to any outstanding obligation of the person from whom it was collected shall be refunded proportionately to the persons from whom it was collected. Upon termination of this part, any funds not required to defray the necessary expenses of liquidation shall be disposed of in such manner as the Secretary may determine to be appropriate: *Provided*, That to the extent practical, such funds shall be returned pro rata to the persons from whom such funds were collected.

(b) All funds received pursuant to the provisions of this part shall be used solely for the purpose specified in this part and shall be accounted for in the manner provided in this part. The Secretary may at any time require the Fresh Pear Committee or the Processed Pear Committee and its members to account for all receipts and disbursements.

§ 927.43 Use of funds.

From the funds acquired pursuant to § 927.41 the Fresh Pear Committee and the Processed Pear Committee, each independently, shall pay the salaries of

its employees, if any, and pay the expenses necessarily incurred in the performance of the duties of the Fresh Pear Committee or the Processed Pear Committee.

§ 927.44 [Reserved]

§ 927.45 Contributions.

The Fresh Pear Committee or the Processed Pear Committee may accept voluntary contributions, but these shall only be used to pay expenses incurred pursuant to § 927.47. Furthermore, such contributions shall be free from any encumbrances by the donor, and the Fresh Pear Committee or the Processed Pear Committee shall retain complete control of their use.

RESEARCH AND DEVELOPMENT

§ 927.47 Research and development.

The Fresh Pear Committee or the Processed Pear Committee, with the approval of the Secretary, may establish or provide for the establishment of production and post-harvest research, or marketing research and development projects designed to assist, improve, or promote the marketing, distribution, and consumption of pears. Such projects may provide for any form of marketing promotion, including paid advertising. The expense of such projects shall be paid from funds collected pursuant to §§ 927.41 and 927.45. Expenditures for a particular variety or subvariety of pears shall approximate the amount of assessments and voluntary contributions collected for that variety or subvariety of pears.

REGULATION OF SHIPMENTS

§ 927.50 Marketing policy.

(a) It shall be the duty of the Fresh Pear Committee to investigate, from time to time, supply and demand conditions relative to pears and each grade, size, and quality of each variety or subvariety thereof. Such investigations shall be with respect to the following:

(1) Estimated production of each variety or subvariety of pears and of each grade, size, and quality thereof;

(2) Prospective supplies and prices of pears and other fruits, both in fresh

§927.51

7 CFR Ch. IX (1–1–13 Edition)

and processed form, which are competitive to the marketing of pears;

(3) Prospective exports of pears and imports of pears from other producing areas;

(4) Probable harvesting period for each variety or subvariety of pears;

(5) The trend and level of consumer income;

(6) General economic conditions; and

(7) Other relevant factors.

(b) On or before August 1 of each year, the Fresh Pear Committee shall recommend regulations to the Secretary if it finds, on the basis of the investigations specified in this section, that such regulation as is provided in §927.51 will tend to effectuate the declared policy of the act.

(c) In the event the Fresh Pear Committee at any time finds that by reason of changed conditions any regulation issued pursuant to §927.51 should be modified, suspended, or terminated, it shall so recommend to the Secretary.

§927.51 Issuance of regulations; and modification, suspension, or termination thereof.

(a) Whenever the Secretary finds, from the recommendations and information submitted by the Fresh Pear Committee, or from other available information, that regulation, in the manner specified in this section, of the shipment of fresh pears would tend to effectuate the declared policy of the act, he or she shall so limit the shipment of such pears during a specified period or periods. Such regulation may:

(1) Limit the total quantity of any grade, size, quality, or combinations thereof, of any variety or subvariety of pears grown in any district and may prescribe different requirements applicable to shipments to different export markets;

(2) Limit, during any period or periods, the shipment of any particular grade, size, quality, or any combination thereof, of any variety or subvariety, of pears grown in any district or districts of the production area; and

(3) Provide a method, through rules and regulation issued pursuant to this part, for fixing markings on the container or containers, which may be used in the packaging or handling of pears, including appropriate logo or

other container markings to identify the contents thereof.

(b) Whenever the Secretary finds, from the recommendations and information submitted by the Fresh Pear Committee, or from other available information, that a regulation should be modified, suspended, or terminated with respect to any or all shipments of fresh pears grown in any district in order to effectuate the declared policy of the act, he or she shall so modify, suspend, or terminate such regulation. If the Secretary finds, from the recommendations and information submitted by the Fresh Pear Committee, or from other available information, that a regulation obstructs or does not tend to effectuate the declared policy of the act, he or she shall suspend or terminate such regulation. On the same basis and in like manner, the Secretary may terminate any such modification or suspension.

§927.52 Prerequisites to recommendations.

(a) Decisions of the Fresh Pear Committee or the Processed Pear Committee with respect to any recommendations to the Secretary pursuant to the establishment or modification of a supplemental rate of assessment for an individual variety or subvariety of pears shall be made by affirmative vote of not less than 75 percent of the applicable total number of votes, computed in the manner described in paragraph (b) of this section, of all members. Decisions of the Fresh Pear Committee pursuant to the provisions of §927.50 shall be made by an affirmative vote of not less than 80 percent of the applicable total number of votes, computed in the manner prescribed in paragraph (b) of this section, of all members.

(b) With respect to a particular variety or subvariety of pears, the applicable total number of votes shall be the aggregate of the votes allotted to the members in accordance with the following: Each member shall have one vote as an individual and, in addition, shall have a vote equal to the percentage of the vote of the district represented by such member; and such district vote shall be computed as soon as
